SECRET 25X1 - 2 troop training grounds. On 19 November, 500 soldiers left the Till Eulenspiegel Settlement toward the troop training grounds. On 20 November, 4x57-mm AT guns left the installation of Unit 1 toward the troop training grounds. 25X1C About 200 recruits entered the 25X1 oewen kaserne from the direction of the Dallgow railroad station at about 3 p.m. On 23 November, 200 soldiers left the Loewen Kaserne toward Nauen. About 300 soldiers carrying baggage entered the Altes Lager at 25X1 11 a.m. On 24 November, 9 x 76-mm AT guns and an undetermined number of 25X1 trucks moved from the direction of the troop training grounds toward Olympisches Dorf. 7. On 18 November, the Altes Lager was heavily occupied. There was lively activity in the camp. 25X1 25X1 3. On 13 November, the Hasenheidenberg hutment was occupied by a guard detail. 25X1 On 18 November, the Loewen Kaserne and Adler Kaserne were occupied almost 25X1 to capacity. On 16 and 13 November each, 10 to 12 gondola cars and boxcars loaded with supplies and billeting equipment were unloaded by personnel wearing redbordered black epaulets with artillery insignia at the siding of the Elstal airfield. 25X1 11. firing with cartridges in the area south of Hasenheidenberg and firing with live armunition with carbines at the firing ranges west of Hasenheidenberg. On 14 November, four T-34/85 tanks practiced driving and four medium AA guns fired in the Hasenheidenberg area. 25X1 12. apartments would have to be vacated to make room for Soviet officers and 25X1 their dependents. 25X1 13. On 13 November, about 150 soldiers wearing red-bordered black epaulets and carrying baggage were entrained onto 8 converted boxcars at the Dallgow railroad station. The train which was dispatched toward Himmelpfort was escorted by the officer who had previously been transportation officer. Eight empty converted boxcars arrived from the direction of Fuerstenberg on the Havel River at the Dellgow railroad station on 27 November. The train was escorted by the lieutenant who had also escorted trains leaving toward Himmelpfort. the soldier had left the train between stations and had marched to the Altes Lager and 25X1 the soldiers Neues Lager across the fields. On 27 November, 10 empty converted boxcars left the Dallgow railroad station toward Fuerstenberg. They carried an escort detail of one lieutement and about 15 soldiers wearing red-bordered black epaulets. 25X1 25X1 Comment, The Doeberitz barracks installations seemed to have been occupied as previously prior to 27 November 1953. The large number of field guns of 76-mm caliber seen at the installation of the 2d Light Arty Brig (US) was 25X1 previously commented upon. Unit 1 at Loewen Kaserne is the 19th Mecz Regt of the 1st Mecz Div.Other information also indicated that the movements mentioned in paragraph 13 were still going on on 27 November.
